

## **MISSION STATEMENT**

San Antonio School of Hoops is a year round basketball skills development program designed to help young players develop the skills necessary to reach their full potential as basketball players. SASH coaches emphasize developing the complete player, working on the fundamentals of the game. This is important for today's basketball player to succeed. The coach's knowledge, experience and leadership skills give players the opportunity to take their game to the next level. The goal is to provide boys and girls of all age, race, and skill level the opportunity to learn basketball fundamentals and be taught the game of basketball. It is the organization's belief that basketball is an ideal venue to teach attributes such as sportsmanship, discipline, cooperation, competition, self-confidence, and teamwork. The teaching of fundamentals and sportsmanship at an early age cannot be emphasized enough.

## **OUR COMMITMENT TO YOU**

SASH coaches will abide by the following rules: 1. We will treat you with respect at all times. 2. We will be honest, truthful, and up-front about your basketball skills and development. 3. We will give you the best coaching and instruction to improve your basketball skills. 4. We believe that your perception of our performance is always the reality. For that reason, and others, your feedback is essential to our continuing a successful program.

Matthew Santa Cruz, who serves as the director of the program, developed Total Package basketball. Coach Santa Cruz basketball philosophy has developed from many years as a successful player, coach, and trainer. Coach Santa Cruz supervises several coaches who also bring many years of basketball experience to the program. Workout sessions offer individual training within a group setting. Within these groups the coaches motivate and challenge athletes to accomplish their goals. Workout sessions are 50- 60 minutes long and consist of drills emphasizing ball handling, footwork, shooting including game-like shooting, one-on-one moves, learning how to create shots for you and your teammates and offensive and defensive techniques. The goal of the workout is to start with the fundamental basics and implement them into game play, situational playing and understanding the game of basketball.

## PHILOSOPHY

SASH is dedicated to providing athletes with the opportunity to work hard with disciplined instruction. We focus on basic fundamental drills and progress into high intensity game-like drills. We strive to prepare our athletes for the next level of competition. SASH is dedicated to training the committed athlete so that they are achieving their highest level of skill possible. This takes great discipline and consistency from the athlete. The SASH program provides a place for athletes to receive complete basketball instruction. - Player's Contract \_\_\_\_\_

## **WORKOUT AND PRACTICE EXPECTATIONS**

SASH basketball players and coaches strive to be disciplined and work hard during workouts, practices and games. Players need to be ready to give their best effort every time on the court. They need to be on time and be ready to play when scheduled. It is your obligation to attend all workouts that you pay for in that given month. If an athlete has to miss a workout, please call one of the coaches as soon as you know. We schedule gym time or park time and plan workouts based on the amount of athletes that will be attending each session. We appreciate your phone call to let us know if you will not be making it to a workout. Once an athlete signs up for a workout schedule for that month, the athlete holds to that workout schedule. We try to work with scheduling the best we can, but due to gym time and the amount of players scheduled, it is only fair that you commit yourself to what you have signed up for. - Player's Contract Page 5 \_\_\_\_\_

## FINANCIAL OBLIGATIONS

The monthly or individual payments will vary depending on amount of sessions offered for the month. You will need to decide how many workout sessions the player will attend at the beginning of each month. You will pay in advance for the amount of sessions the player will be attending for that month. Unused sessions expire at the end of each month. There will be no carryover of unused sessions. Players are also required to wear a prescribed SASH jersey. There is a one- time jersey cost of \$30, which the athlete can keep. Please make checks payable to Matthew Santa Cruz or Santa Cruz Services, no later than the 1st of each month. Program fees:(Discuss with Coach Santa Cruz manager.) I fully understand my financial obligation and the above policies and procedures. If my son/daughter sign up for a certain number of sessions for that month, he/she is responsible to make all of the sessions, unless there is an emergency or injury. I fully understand that the sessions signed up for expire at the end of the month and will not carry over to the following month.
